

# FLOTA LIMPIA

*Y Dios le llamó a lo seco "tierra"  
y al conjunto de las aguas lo llamó "mares"  
y vio Dios que estaba bien. Génesis*

**Flota Limpia** it's our clean fleet certification composed by government agencies and shrimp producers committed to the environment and sustainability. This group is in charge of auditing the environmental and fishing norms. The followings are current actions that Flota Limpia Certification stands for.

- Removal of sunken shrimp boats from docks.
- Waste management.
- Training courses on environmental regulations to all crew members.
- Maintenance of fishing docks.
- Recycling of boats waste.

Sunken boat to recycling program

Mexican ShrimParadise suppliers are active member of this project.
